Dear Sir or Madam,

Letter of Recommendation

We have had the fortunate opportunity to work with Tombleson, Inc. for over six years.

They were hired as the General Contractor for many of our projects, which include the Frank Paul Multi-Purpose Room, the Dr. Oscar Loya Elementary School, and the most recent John Steinbeck 2-Story Project.

Our experience working with their staff has always been very positive. They have been very professional and flexible in meeting the District's needs. They have been very conscientious about meeting our deadlines. I could not recommend a better General Contractor.

If I can be of further assistance please do not hesitate to give me a call at (831) 753-5790.

Sincerely,

A handwritten signature in black ink that reads "Tomas Medellin".
