Re: **Watsonville Center – Cabrillo College
Tombleson, Inc.**

Steve:

I would like to take this opportunity to acknowledge the outstanding performance by Tombleson, Inc. on the Watsonville Center project for Cabrillo College.

Tombleson, Inc. provided constant communication and maintained a sense of teamwork throughout the entire duration of the construction process. Your on-site representative, Ruben Alvarez, was very professional, cooperative and helpful. Mr. Alvarez provided creative solutions that made positive contributions to the project, while at the same being very aggressive in working to meet the project's scheduling goals.

It is clear that Tombleson, Inc. made a true commitment to the project. It has been a pleasure working with Tombleson, Inc.

Sincerely,

David J. Tanza, AIA
Project Manager
