Dear Don:

I wanted to extend our sincere thanks for all of your extra efforts to help us prepare for the JCAHO inspection. We appreciate that you went above and beyond the norm to meet our deadlines, in many cases with very little notice.

Your hard work contributed greatly to our success during the inspection. The Hospital did extremely well.

We truly appreciate the help and support that we continually receive from your company. It's a pleasure to work with you. Thank you once again.

Sincerely,

BARBARA SULLIVAN
