Dear MR LOCKE:

SUBJECT: COUNTY SERVICE AREA 14 - CATO PHILLIPS PARK

Work on the new Cato Phillips Park, Castroville's first community park, is now complete.

This project became a reality through the collaborative efforts and funding of Monterey County Service Area 14, the Castroville Pajaro Redevelopment Agency, the local chapter of the Association of General Contractors, the North County Recreation District, and the strong support of area businesses, organizations, and the Castroville community. This park exemplifies what can be accomplished when local government combines forces with private business and the community to attain a goal.

The park looks beautiful and stands as a tribute to everyone who contributed to this project for the children of Castroville. On behalf of the Monterey County Board of Supervisors, I wish to thank you for your contribution to this community project.

Sincerely,

Barbara Shipnuck, Chairwoman
Monterey County Board of Supervisors
